AWARDS | 2026

GLOBAL COMMUNICATION EFFECTIVENESS

Best evaluation on a small budget

To explore the inventive work being done by smaller agencies, those in the charity sector, and those in emerging markets. This award recognises best practices (which will include creative and innovative use of data) in measurement and evaluation of communications with a smaller budget. Entries should include data sources, reporting samples and insight garnering and impact to outcomes of initiative.

Country

Summary

100 words

Please provide a 100 words summary of your entry

Objective/Brief

200 words

Show an understanding of the communications challenge, and how measurement approaches can help to answer them (10 out of 100 points)

Strategy

250 words

Recommended measurement and reporting approach and level of planning to answer the brief considering any use of integrated touch points and how each will be measured to determine their contribution to overall results. (20 out of 100 points)

Execution/Implementation

300 words

Design of measurement approaches including their originality, innovation, appropriateness of the methods used as they apply to one or more channels used and use of any partners or client stakeholders in the process. (30 out of 100 points)

Effectiveness of Assignment

400 words

Quality of recommendations provided to meet objectives and any business outcomes set and understanding of which channels drove results (where relevant). Examine the reliability of research results. Did the client act on the report and obtain good commercial value from the evaluation? How this work will impact future communications planning. The measurement and evaluation should be in line with AMEC's commitment to the Barcelona Principles framework and the integrated evaluation framework <https://amecorg.com/amecframework/> (40 out of 100 points)

Supporting information may be supplied as follows:

1. Maximum file size is 20MB per piece.
2. One supporting information document of a maximum of 4 sides (file types - doc, docx, pdf, ppt, pptx) and one video (file types - mov, mp4, mpeg, mpeg4) can be uploaded.
